## MISSION:

The mission of the Twin Cities Youth Media Network (TCYMN) is to promote, advocate for, support, and share resources with the community of youth media makers and youth media arts educators.

TCYMN is a member-based network of youth media educators, mentors, and organizations that support youth media makers through programs that engage in youth media programming and services.

## Membership BENEFITS:

- Share youth media resources
- Network with other youth media organizations
- Increase public awareness of your program or organization
- Become part of TCYMN's web presence and online community
- Participate in TCYMN yearly events, including our annual Youth Media Summit and Film Showcase
- Engage with youth and educators at TCYMN social events
